**Skimming and scanning a French text for key points / gist**

**Using a glossary / dictionary**

**Listening for key points**

**Translation from French into English and English into French**

**Higher level reading**

### Lesson: Food Waste

#### GLOBAL LEARNING OUTCOMES

ZERO HUNGER

Students know that the world produces enough food to feed everyone, but that many are underfed

RESPONSIBLE CONSUMPTION AND PRODUCTION

Students can explain how consumers' decisions can have an impact on global issues

Students understand that reducing individual waste makes a difference and can motivate others

**SMSC:** Ability to be reflective about their own beliefs and perspective on life  
Investigating and offering reasoned views about moral and ethical issues  
**British Values:** Mutual respect and tolerance of different beliefs, individual liberty

## Action

#FeedBelliesNotBins

The Real Junk Food Project is an effort to bring about radical change in our food system.

Levels of global food waste are a disaster for our planet and the people that live on it. They save perfectly edible food that would otherwise not make it to your plate!

The project have a number of activities including, Kindness into Schools.
