

Lesson: Climate Action Lesson 1 of 2

ACTIVITY OUTLINE

Match up task – cut up slides 4-11 (showing different types of transport and accompanying sentences) and ask pupils to match up the pictures with the titles.

Optional extension activity to improve students accuracy in translation (print out of Slide 12)

Read the text and match the German and the English using the card sort task (can also be done as a listen and sort task)

Grammar activity, revision of the concept of "more than/less than" in German

CURRICULUM OUTCOMES

Listening, Reading, Writing and Speaking Skills enhanced

Use of authentic resources

Read literary texts in the language (such as stories, poems, letters) to stimulate ideas, develop creative expression and expand understanding of the language and culture

Lesson: Climate Action Lesson 1 of 2

GLOBAL LEARNING OUTCOMES

CLIMATE
ACTION

Students can explain the significance of the threat that climate change poses to life-forms on earth

Students can explain that human actions such as burning fossil fuels are causing today's climate change

Students can describe practical things people can do, individually or collectively, to reduce greenhouse gas emissions

SMSC: Ability to be reflective about their own beliefs and perspective on life, investigating and offering reasoned views about moral and ethical issues.

British Values: Mutual respect and tolerance of different beliefs, individual liberty.

Action

#PlasticPioneers

Hubbub are the perfect site if you're looking for inspiration on things you can do that are good for you and the environment. They are a charity that creates environmental campaigns with a difference. Their positive and design playful campaigns inspire people to make healthier and greener lifestyle choices.

Follow their campaign with #PlasticPioneers to find out more about the range of inspiring ideas moving schools away from single-use plastic.
