## Lesson: No Hunger 1 of 3

## GLOBAL LEARNING OUTCOMES

BiG IDEAS

ZERO HUNGER

**Students understand that food / drink are basic needs which are not enjoyed in equal measure by all humans**

**Students know some key facts about hunger throughout the developed and developing world**

**Students can identify countries / continents where hunger is very prevalent**

**Students understand some of the main causes for hunger and can identify what is being done to try to improve the situation**

**SMSC: Ability to be reflective about their own beliefs and perspective on life**
**Investigating and offering reasoned views about moral and ethical issues**
**British Values: Mutual respect and tolerance of different beliefs, individual liberty**

## Action

Donate food to or volunteer at your local foodbank,
and listen to the stories of people who are using the service.
Whilst there are hugely severe problems of poverty and food
security across the globe, it is easy to forget that many people
very close to us also face similar issues.
If a family doesn't have much money, they may need
to rely on foodbanks for some of their meals.
